

Hoover Dam Premium

Museum - Exhibits - Walk

Historical Landmark

This premium tour provides transportation in a new, full-size modern touring motorcoach equipped with restrooms and air conditioning. Traveling to the Hoover Dam there will be narration about Las Vegas, Henderson (Green Valley), and Boulder City from our professional driver. Also, a video of the construction of the dam will be shown. You will have the opportunity to walk over the newly opened Mike O'Callaghan-Pat Tillman Memorial Hoover Dam Bypass Bridge for a fantastic Hoover Dam photo. At the dam you will have TWO FULL HOURS to see the theater, check out the exhibit rooms, observation deck, Visitor's Center and museum. Or you may stroll across the top of the dam to the Arizona side, exploring the many works of art along the way. The photo opportunities are endless. Snacks and drinks are available for purchase in the gift shop.

This is a great family day while visiting Las Vegas! Free Wi-Fi is on our buses and VIP vans. This is a complimentary service provided for our customers use. As with all Wi-Fi in transit, it can be unpredictable with periods of no reception.
